2008 CLUB FAIR

BISHOP WAND SCHOOL

AFC Brooklands recently had a stand at the School Club Fair held at Bishop Wand Secondary School the event was aimed to promote local quality sports organisations these included wild water sports, rowing, bowls and of course football, as a Charter Standard Development Club AFC Brooklands jumped at the opportunity.

Brooklands took the chance in front of the 200 children and representatives from 60 Primary and 9 Secondary schools to launch a joint initiative being undertaken with Surrey FA. In January AFC Brooklands will be running 2 free taster sessions only for girls, between 5 to 11 years of age, who want to enjoy football.

Next season AFC Brooklands would like to run girls only teams, they want to expand the number of girls that train especially as they have 3 female coaches raring to go. Chairman Jez Taylor said this is a great opportunity for the club to expand to include as many girls that want to enjoy football as we can it is great to have the support of local schools and the Surrey FA in this venture.

If any girls are interested in coming along to try football please contact Darren Taylor 01932344251 or Peter Croucher 07957932788.
