## **Under-10 Surrey Primary League Junior Cup AFC Brooklands 3 Abbey Rangers 1**

THE playground bragging rights were awarded to Brooklands after this local derby, despite them starting as the underdogs and two leagues below their opponents.

It was not long before the game went the way of the form-book when Abbey took an early lead. Brooklands started to find their feet and pressure on the Abbey defence led to confusion and a free kick which Max Murray crashed against the post.

With confusion still reigning in the Abbey defence it was a mistake by the keeper that drew the two teams level.

Brooklands then started getting into their passing game and Paul Broadberry was able to thread a number of passes to Ryan King so he could test the Abbey defence.

With half time approaching it was King who latched onto a

one of these through balls to calmly chip over the on-rushing keeper making the score 2-1 to Brooklands.

The second half was a tight affair and Greg Lansdell in the Brooklands' goal was called upon on more than one occasion to keep them in the game.

With Murray commanding the defence and King striking fear into the Abbey backline it generated a real cup atmosphere.

Aaron Elwood was brought on to bolster the midfield and with time running down he broke up an Abbey attack and fed King who raced to put the ball in the net to give Brooklands a 3-1 victory.
