

ACTION:

The players in the middle will play standard football rules while trying to score points. A point is scored each time a team passes the ball into their team's corner player, who then must play a first time ball to a third player on the same team. The original passer then becomes the corner player.

TIPS:

Encourage players to pass and move within the area.

Change format to:

- Three touch
- Two touch

Encourage player to use the whole width of the pitch and alter the angle they pass into their 'corner man'

NOTES:

GROUP PLAY

SET UP:

Area 40X40 yd

Two even groups with no more than 8 players per group.

RED team place a player in one corner of the grid and another player in the diagonal opposite corner of the grid. BLUE team do the same thing on the 2 open corners of the grid.
